VERNON S. BRODERICK

U.S.D.J. 04/25/22

Re: *U.S. v. Lans*, 19 cr 172 (VSB) -- Violation of Supervised Release ("VOSR")

Dear Judge Broderick:

I am counsel for Leroy Lans, the defendant in the above referenced VOSR.

The VOSR is currently scheduled for a status conference, tomorrow, on April 26, 2022.

As noted in prior correspondence, principally, the specifications in the VOSR arise out Mr. Lans being prosecuted in a criminal matter currently pending in New York State Supreme Court, New York County (the "State Case"). It is likely that a resolution of the VOSR will occur following a resolution of the State Case. The last date for the State Case was April 19, 2022. It was my understanding that a disposition, by guilty plea, would occur on that on that date. As such, I anticipated a resolution of the VOSR would occur during tomorrow's conference. However, I am informed that, on April 19th, Mr. Lans was not produced in the State Case. As such, it was adjourned to May 3, 2022.

Based upon the forgoing, I do not anticipate that anything of substance will occur during tomorrow's conference. Accordingly, with consent of the Government, I respectfully request the VOSR conference be adjourned to May 9, 2022 at 11 a.m. which, I understand, is available on the Court's calendar.

Respectfully submitted,

/s/
